

# PLACEMENT

The Career Services Department at the Vet Tech Institute of Houston will help you before and after you graduate, at no additional cost.

## Services include:

- Editing your resume for maximum impact
- Refining your interviewing skills
- Arranging job interviews
- Helping to negotiate starting salaries

These services can be utilized for years after graduation by alumni in good standing. Graduates can also receive placement services from the other Vet Tech Institutes.

The placement rate as of September 15, 2013 for graduates between July 1, 2012 and June 30, 2013 and as reported to ACICS was 94% for the degree program. More graduates may have been placed subsequently.
