

# Vet Tech Student Success Rates

Our students are our priority and we offer a variety of student services that can help our students move down the path to graduation. From financial aid to housing assistance, the Vet Tech Institute can help. The Vet Tech Institute is also committed to helping graduates find jobs working in the veterinary technician field.

## Graduation Rates\*

## Placement Rates\*\*

\* Graduation rates are provided for students entering the veterinary technician program during 2006. Of the 218 students enrolled in the vet tech program during that time, 160 graduated.

\*\* Of the 160 students graduating during 2007, 154 were available for placement. 148 have been placed in field. The average full-time monthly salary was \$1,771. Five student were not available for placement due to continuing education or medical reasons.

*“Attending Vet Tech Institute was the best decision I’ve made in my life. I am ecstatic about my education and I am very pleased with the skills that I have obtained.”*
