Those who have not submitted proof of vaccination by week three of the first term will receive their rabies vaccination on-site at VTIH through a third party.

*** Applicants who are accepted or apply within 30 days of their original start date must pay all deposits before classes begin.

"Now that I have a degree from VTI, I am so proud of how far I've come. I didn't have any animal experience when I started, and I had to work really hard, but I love what I do now and wouldn't trade it for anything. I love everything about working with the animals."
