Biology

Lab Animal Clinical  
Management

Veterinary  
Pharmacology

Speech  
Communication

### SEMESTER 4

Anesthesia and Surgical Assistance

Equine Clinical  
Management

Clinical – Large  
Animal

Exotic Animal Clinical  
Management

VTNE Preparation

Composition I

### SEMESTER 5

Clinical – Veterinary  
Technician

Graduates of this program are eligible to work as veterinary technicians. To become a Licensed Veterinary Technician (LVT) in Texas, individuals must graduate from a program accredited by the Committee on Veterinary Technician Education and Activities (CVTEA) of the American Veterinary Medical Association (AVMA), must also first take and pass the Veterinary Technology National Examination (VTNE) with a score of 75 or higher, and then take and pass both the Licensed Veterinary Technician Examination (LVTE) and a mandatory background check authorized by the Texas State Board of Veterinary Medical Examiners. Vet Tech Institute of Houston cannot guarantee that graduates will be eligible to work as veterinary technicians in Texas or any other state at all or at any specific time, regardless of their eligibility status upon enrollment.
